

Victory Gram

Meeting Tuesday, November 2nd at 7:00 p.m. @ Coney Island, 214 S Chadbourne Street

Not long ago, the Democratic Party controlled just about all of the State of Texas. Before that, Republicans had major input before the Dirty Dozen incident. It would appear that the pendulum swings back every couple of decades.

According to the elections office, the number of Democrats and Republicans remains stable at about 40% each for Tom Green County. The remaining 20% being independent or swing voters. To win, we must GOTV (Get out the vote). Energize our 40% base and get enough of the middle to achieve 50% plus 1. Thus, it is very important to encourage each other to vote.

In mid term elections, the voter turnout is never as high as it is during a presidential election year. This fact means that a large number of voters stay home and don't vote at all. We must have a large turnout comparable to 2008.

There are a few things that we all can do:

1. Offer a ride to the polls to a neighbor or friend.
2. Contact each other by phone, Facebook, email or other means.
3. Let folks know that we have excellent candidates statewide and locally.
4. Talk about the candidates that you have heard. Let everyone know who our candidates are.

If we can all pull together we can make inroads into the vote. We can take back the elections for the people of San Angelo and Texas.
